

**Apply by:** May 13, 2024

**Location:** Edmonton, AB

**Company:** Government of Alberta

**Job Information**

Job Title: Project Leader, Geodetic Unit Lead

Ministry: Forestry and Parks

Location: Edmonton

Full or Part-Time: Full Time

Hours of Work: 36.25 hours per week

Permanent/Temporary: Permanent

Classification: Engineering & Related Level 2

Salary: \$3,090.43 to \$4,278.93 bi-weekly (\$80,660 to \$111,680/year)

Are you enthusiastic about geodetic spatial referencing and mapping? Do you thrive in a leadership role where you can make a significant impact? We are seeking a highly skilled Geomatics Engineer to join our dynamic team as the Project Leader directing and controlling the establishment, maintenance, and preservation of Alberta's provincial reference system. As the Project Leader, you will coordinate and provide leadership to a team of professionals, collaborating with various government departments, land surveyors, and the public to ensure the integrity and functionality of our geodetic spatial referencing system.

**Job Requirements:**

- University graduation in Engineering, Applied Science, Geology, Geophysics, Surveying Engineering.
- Plus, five years related experience.
- Eligible for membership with the APEGA.

**Notes:**

- Applicants with qualifications below the minimum recruitment standards are encouraged to apply, as a lower classification opportunity is available.
- Additional assets listed in full job advertisement: <https://jobpostings.alberta.ca/job-invite/56524/>
